Registration can be found by following this link: <https://goo.gl/forms/hEJUZVNOijCxZuNG3>

If you have trouble with the form, contact Rachel with the contact info at the end of this email

Hi Troop Leaders, Scouts, and Parents,

The Alpha Phi Omega chapter at the University of Minnesota – Twin Cities, would like to invite you to our seventh *Merit Badge University*. Following the success of our previous MBUs, our goal remains to provide badges that will help scouts reach their Eagle Status, as well as badges that will be enjoyable to all scouts.

We will be offering 10 badges and we will ask each scout to choose his top **three** badge choices. Choosing three will insure your scout has a complete day, and will help avoid scheduling conflicts.

Scouts will be able to earn two (2) badges through the course of this Merit Badge University. There will be a morning session, followed by lunch, and then an afternoon session. Some of the badges have pre-requisites that must be completed before attending MBU. These are listed on the registration form.

The badges offered at this MBU will be:

American	Citizenship in the Nation	Public Health
Cultures	Communications	Space Exploration
Art	Drafting	Vet Medicine
Chemistry	First Aid	

Merit Badge University will be from 8am to 4pm in Bruininks Hall on the University of Minnesota-East Bank Campus. The cost of this event will be \$25 per scout for a full day and \$15 per scout for a half day. This fee includes a pizza lunch in between the first and second session, and basic supplies needed to fulfill the requirements of each badge. The fee should be turned in during check-in from 8:00-8:30am. Checks should be made out to Alpha Phi Omega – Gamma Psi. We request that you bring your blue cards for each badge.

Below is a link to the registration page. Please fill it out carefully to ensure your scout is registered properly. We will send out additional information pertaining to the particular badge your son is in closer to the event.
