A Founder is someone who has played a substantial role in the advancement of Boy Scouts, Girl Scouts or the North Star Museum of Boy Scouting and Girl Scouting. A Founder is a visionary leader who has played a meaningful role in the creation, innovation or direction of these Scout institutions over a significant number of years.

A Builder is a person or an organization that has made a meaningful impact on one of the Scouting institutions, described herein, through their financial support or gifts of influence. A Builder is a transformative leader, persuasive and insightful in their leadership; one who helps make the Founders' vision a reality.

A Trailblazer is a person who has provided exceptional direct volunteer leadership to Boy Scouting and Girl Scouting at the grassroots level. In Boy Scouting often referred to as "Red Jacket Scouts" and in Girl Scouting as "Green Bloods," these dedicated leaders combine their ideas and creativity with those brought forth by Founders and Builders in their work with you.
